Dear Chris,

COURT Notice: Los Angeles Superior Court Layoffs

Please see the attached notice regarding the recent layoffs throughout the Los Angeles Superior Court system. The effects of these initial layoffs and those anticipated throughout 2010 will result in a variety of delays. Specifically noted in the attached LASC Notice are the Archives Records Center and Family Law. You may also [download the notice here](#).

First Legal will continue to keep you updated as to the progression of these layoffs and its effects. We are anticipating shortfalls in the various courts we frequent and are shoring up our personnel and operations to accommodate. Any specific changes that may affect our service to you will be quickly and clearly communicated.

Thank you for your continued patronage of the First Legal Network.
