Dear Christian,

First Legal Investigations is proud to introduce two new divisions:

International Services:

The International Services division provides **International Service of Process, Translation Services, Deposition Services, Attorney Referrals** and many other services around the world. For our clients who carry a strong international case-load, this division provides another level of continuity and quality across the First Legal Network. Click on the above link to learn more about our International Services division, or download your [Free Top Tips for International Service of Process.](#)

Technology Forensics:

As technology drives the world of media, content and data storage at a breakneck pace, a critical component of the discovery process is quickly becoming forensics. In many cases, the success of a case may hinge on the proper acquisition of data as it is tested against Voir Dire standards in a court of law. To learn more about our Forensic Services division click on the above link, or download your [Free Checklist of the Top 10 Procedures to follow for the Successful Acquisition and Investigation of Digital Evidence.](#)
