LABOR AND IMMIGRATION MARCH

Dear Sabrina,

Please be aware that there is a planned march due to take place on Thursday, May 1, 2008 which may cause delays in the downtown area. Certain streets are expected to be closed. For more information go to: <http://trafficinfo.lacity.org/MayDay/>

We will be taking the necessary steps to minimize any possible delays in getting to the courts and maneuvering in downtown L.A.; however it is advisable to make adjustments to get your documents and deliveries out earlier than normal to assure timely completion.

Thank you for your consideration.
